MEDICAL NOTICE.

DR. SMITH would respectfully inform his friends and the public that he continues to be confidentially consulted at his old established Medical House, No. 11, South Frederick street. on all diseases of A PRIVATE OR DELICATE NATURE. His long experience and attention to this class of complaints; his safe and speedy method of treatment, and his extraordinary suc-cess during a long and extensive practice, ena-bles him, confidentially, to promise all persons so afflicted, a safe and radical cure, without in-jury to the constitution or confinement from husiness. By a long course of study and pratical experience, Dr. S. has now the gratification of presenting the unfortunate with remedies that have never failed since he first introduced them, to cure the most alarming case, and that in a very short but reasonable time, without the aid of mercury or any other deleterious drug. Within the last ten years Dr. S. has cured more than thirty thousand cases of the above character, and it may be safely said that MORE THAN ONE HALF of the patients had been proviously treated with mercury and other mineral poisons by some for-
